SOCIAL RIDING

OCT 66

NEWSLETTER

A social ride will be held on Saturday October 29th 1966. This will be a circuit of the county roads and will start at 1:30 p.m. We will meet at the roadside park on the junction of route 6 and route 84. This is approximately $1\frac{1}{4}$ miles south of Colona.

Our social riding activities have been curtailed this year by the excessively hot weather that we had and by the equally excessively cold windy weather that followed it. The coming weekend is promised as a fine fall day and should be a good day for a ride.

The racing members have had a good season with some of the race successes being:

John Hood jr placed first in the Shrewsbury Road Race, was first in a 10 mile track event, qualified for the National Championship Road Race, and was 3rd in the National Cyclo-Cross Championship.

Dale Hallberg won three Class C events in succession on the Northbrook track and was commendably placed in the notorious Clarksville Road Race.

Jim Greene is in his first year and he was placed in the prizes in the Wutcher Race in St Louis.

John Hood sr came through as usual in the Cyclo Cross Championship with a 4th placing.

The only event that offered a team prize was the Sterling Race and our club beat out all the Chicago clubs to take the award.

We are planning a club meeting for sometime in the next few weeks thus commencing the winter activities.

SEE YOU ALL OUT ON SATURDAY FOR THE SOCIAL RIDE.
