SOCIAL BULLETIN

Hope this bulletin finds everyone back in shape after our big, exciting Moline 7th St. Races. We still don't have a final figure on how much the race increased? the Club's bank account, but we hope to have all of our donations in real soon. We do know, however, that we can report on the fine winnings of some of our members. The Mel Bradley family certainly made a great showing with three firsts and two seconds. How about that Debbie Bradley even beating out some 16 year old boys! Luann Frazier took a first in the 11-12-13 year old girls, and we know she did lots of training the night before the race to take that place. Roslyn Schwartz pedaled up a storm to take first in the Ladies event. Last to be mentioned, but one we are very proud to name is Mike Guidici who took 10th in the A.B.L. Junior 15 Mile Race. This was Mikes first Sanctioned race, and I think we can look forward to many more good placings from him. Great job, Mike!!

DID YOU KNOW... only two of the eight or ten people who held up their hands to donate blood for the Oscar Wastyn Memorial have made an appearance at the Blood Bank? My guess is that the Quad Cities Bicycle Club can certainly make a better showing than that. Mrs. Wastyn gave us a good deal on our race prizes -- some of us have purchased other merchandise from their store and have received a good deal. Let's show how much we appreciate what has been done for us by making their load a little easier. Call the Blood Bank and make your appointment now... the number is 788-0464.

As most of you have heard, the Sterling Park Board Bicycle Races are this coming Sunday. Some of us are planning to make the trip by bike. For those who are, we will meet at the Junction of Barstow Rd. and 2&92 at 6 A.M. We then take our usual off-the-busy-road route. Regardless of whether you take Sag Wagon or Bike, let's have a nice Q.C.B.C. showing for those from our Club who are entering the races. I understand our "Olde Tymer" hero, Mel Bradley, is going to try hard to make a placing in the Novice event. Good Luck, Mel.

Just want to get back to the 7th St. Race for a minute and thank all who helped to make the race the success it was. Since I can't possibly mention everyone in this bulletin, THANKS, EVERYONE!!!

Cyclingly,

Bob Seaberg, President
